MOTION TO RECONSIDER PETITION UNDER 37 C.F.R. § 1.17(h)

Assistant Commissioner for Patents
Washington, D. C. 20231

Sir:

The United States Patent and Trademark Office's decision dated April 16, 2004 dismisses Applicant's Petition Under 37 C.F.R. § 1.17(h) which was filed in response to a Notice of Omitted Items in a Non-Provisional Application. The dismissal indicates that the only reason for dismissal was that the return receipt postcard was not date-stamped.

A copy of the return receipt postcard was submitted with the Applicant's Petition. Unfortunately, only the back side of the postcard was copied and submitted. The front side, which contained the Patent and Trademark Office date-stamp and serial number was inadvertently not copied. We are enclosing a copy of both sides of the postcard submitted on October 17, 2003 with the filing of the Applicant's patent application which clearly shows a Patent and Trademark Office date-stamp and serial number. Reconsideration is respectfully requested in view of submission of the date-stamped postcard.

Respectfully submitted:

Charles J. Meyer
